JEANNE G. QUINATA
CLERK OF COURT

IN THE DISTRICT COURT OF GUAM

IN RE:

GENERAL ORDER NO. 20-0018

DISTRICT COURT OF GUAM COURT
OPERATIONS IN RESPONSE
TO COVID-19 OUTBREAK

This General Order is issued in further response to the developing outbreak of Coronavirus Disease 2019 (COVID-19). On April 30, 2020, the Honorable Lourdes Leon Guerrero, Governor of Guam, issued Executive Order No. 2020-11 extending the declaration of a public health emergency for an additional thirty (30) days. Executive Order No. 2020-11 also establishes the Pandemic Conditions of Readiness System as part of the Governor's Chalan Para Hinemlo' recovery plan. Per the Joint Information Center Release No. 101 issued on April 30, 2020, Guam's current status "is reflected in the most stringent restrictions on social gatherings, prohibitions and closures of non-essential activities, impositions of conditions on operations of essential activities, quarantining of inbound travelers, and actions meant to deter people from engaging in non-essential activities." The Governor's recovery plan set forth in Executive Order 2020-11 appears to set conditions and criteria for the gradual lifting of restrictions imposed by the Governor in response to the COVID-19. In light of this, the Court incorporates its prior findings regarding COVID-19 and the current state of emergency declarations, guidelines and findings as set forth in its prior General Order Nos. 20-0012, 20-0013, 20-0014, and 20-0015, and orders as follows:

24 May 4, 2020 to May 8, 2020. The Court may extend the period of exclusion as circumstances may
